

Support for Your Confidence

People say, girls become more beautiful when they're in love...

There would be many reasons,
but one of them must be because of
the desire and the effort to look nice.

But if you're in love
for a long time,....

... you sometimes need someone
to help you look beautiful.

Sometimes we feel like this.

What are you
talking about?

You're
beautiful.

But if your partner
tells you this, you feel a lot better.
That is a wife's nature

Always, when the time comes,
Max tells me this and it boosts my morale.

Who is prettiest
woman in the
bed?

I wonder if she
is the prettiest
one in the bed.

Then I wonder if
she's the prettiest woman
in this building.

What?

Definitely she is.

England, Wales,
N.Ireland... the whole
of the country?

Well... There are
actresses, models...

I think I'm a helpless woman,
This silly thing makes me feel good.

But his story didn't finish there.

And he added,

In my eyes

- Only in my opinion
- It is subjectively
- But it is not objectively

I wish he didn't say the last bit.

Go to your partner
and say they're the most
wonderful in the world
